PROFILE

A highly motivated and dedicated individual with a strong academic background in both English and Information Technology.

Possessing a Higher National Diploma in English from Ninthavoor VTA and a Higher National Diploma in Information Technology from Kalmunai NTC, I have developed excellent communication, writing, and comprehension skills, as well as solid technical expertise in computer systems, networking, software development, and database management. My education has helped me grow into a confident, adaptable professional with strong problem-solving abilities and a keen interest in the digital field. I am now seeking opportunities where I can apply my knowledge, enhance my skills, and contribute effectively to a dynamic team or organization.

core skills

- Communication skills help you express ideas clearly and listen effectively to others.
- Critical thinking allows you to analyze information and solve problems logically.
- Teamwork is the ability to collaborate and work well with others toward a common goal.
- Adaptability helps you adjust to new situations and overcome challenges with flexibility.
- Time management ensures you can prioritize tasks and meet deadlines efficiently.
